Henry

Following describes where we are with the above captioned project and what is anticipated:

Plans are complete and in to IDOT for review. Submitted on July 20, 2005
ROW is clear except for one parcel at the northeast quadrant of the North Alley Bridge
Anticipate advertising for letting on August 20, 2005 or when ROW is clear
Anticipate letting on Sept. 20, 2005
Anticipate award on October 3, 2005
Begin construction on November 3, 2005
Complete construction on December 1, 2006

Also attached is my resume. I will serve as project manager for MEAI during the construction.

Thank you
